Serenata, a full-service Latin cocktail experience, crafting preeminent cocktails sourced and inspired by the many countries that make up the rich Latin American heritage.

Serenata, meaning serenade in Spanish, is meant to inspire with its ingredients and their origins. Like a serenade, it will take you on a journey through the countries of Latin America, with its cocktails, food, and people. Using tropical fruits, origin spirits, and world-renowned techniques to craft each drink as a unique experience.
